Resolution directing publication of notice of intention to issue certificates of obligation, series 2022

Agenda Caption: Presentation, discussion, and possible action to approve a resolution by the City Council of the City of College Station, Texas, directing publication of notice of intention to issue certificates of obligation, series 2022; and providing an effective date.

Relationship to Strategic Goals:

- Good Governance
- Financial Sustainability
- Core Services & Infrastructure
- Improving Mobility
- Sustainable City

Recommendation(s): Staff recommends Council approve the attached resolution directing publication of notice of the intention to issue certificates of obligation.

Summary: The City Council is authorized to approve the issuance of certificates of obligation (COs) after approving a resolution directing notices to be published of the intent to issue the COs.

The City of College Station typically issues debt to fund various capital projects identified and approved as a part of the annual budget.

Certificates of Obligation (COs) are based on the full faith and credit of the City and are paid primarily through the debt service portion of the ad valorem tax rate. Certificates of Obligation must include at least one additional revenue stream besides the debt service portion of the tax rate (such as utility revenues). The City's policy for issuing Certificates of Obligation allows more flexibility than issuing General Obligation Bonds, particularly since other revenues are anticipated to assist in debt service.

The City's Financial Advisor and Bond Counsel recommend that the City issue Certificate of Obligations for utility projects instead of Utility Revenue Bonds (URBs); the pledge of the City's ad valorem tax base is a stronger credit than utility revenues and thus lowers the cost of borrowing. This has been the practice of the City since 2008. The Utility systems will cover their associated portion of debt service through utility revenues.

The Certificates will be used to fund street, parks, public facilities, technology, electric, water and wastewater projects, and pay debt issuance costs. The maximum amount of Certificates of Obligation indebtedness that may be authorized to be sold is \$78,000,000.

At the July 14th meeting, the City Council will consider the approval of sale parameters ordinance for the Certificates of Obligation Bonds, depending upon market conditions. A sale parameters ordinance appoints a Paying Agent/Registrar, appoint Underwriters, adopt Bond Ordinances and

authorized the preparation of the Official Statements for the Certificates of Obligations. If the City is not prepared to issue the Certificates of Obligation at the July 14th meeting, the City Council may postpone adoption of the ordinance for up to ninety days from July 14th.

Budget & Financial Summary: Staff reviewed the impact of the Certificates on the City's ability to meet debt service requirements and the effect they may have on the ad valorem tax rate. The recommendation is to move forward with this issuance. The impact on the tax rate and utility rates will be reviewed annually as part of the financial forecast and budget preparation.

NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION

The City Council of the City of College Station will consider the passage of an ordinance or ordinances authorizing the issuance of one or more series of interest bearing certificates of obligation (the "Certificates") in the principal amount not to exceed \$78,000,000 for paying all or a portion of the City's contractual obligations to be incurred in connection with constructing, improving, acquiring and equipping the following projects: (i) streets and roads including related drainage, landscaping, signalization, lighting, pedestrian improvements and signage related thereto; (ii) designing, constructing, equipping and installing parks and recreation equipment and park improvements for Texas Independence Ballpark at Midtown; (iii) information technology and communication equipment; (iv) facilities and equipment maintenance facility relocation and improvements; (v) improvements and extensions to the City's combined waterworks, sewer and electric systems including distribution, transmission, system lines, lift stations, pumps, storage tanks, metering, wells, plant improvements, and acquisition of interests in land for such purposes; and (vi) the payment of fiscal, engineering and legal fees incurred in connection therewith.

The City proposes to provide for the payment of such Certificates from the levy and collection of ad valorem taxes in the City as provided by law, and from a limited pledge (not to exceed \$1,000) of the surplus revenues of the City's waterworks, sewer and electric systems, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the City's revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or any part of the net revenues of the City's waterworks, sewer and electric systems. The Certificates are to be issued, and this notice is given, under and pursuant to the provisions of Texas Local Government Code, Chapter 271, Subchapter C.

The City Council tentatively proposes to adopt the ordinance(s) authorizing the Certificates at a meeting to be held at 7:00 P.M. on July 14, 2022 to be held at City Hall, 1101 Texas Avenue, College Station, TX 77840. The ordinance(s) may authorize an authorized officer of the City to effect the sale and delivery of the Certificates on a date or dates subsequent to the adoption of the ordinance(s).

The following information is provided to comply with Tex. H.B. 477, 86 Leg., R.S. (2019). The current principal of all outstanding debt obligations of the City is \$179,298,586. The current combined principal and interest required to pay all outstanding debt obligations of the City on time and in full, is \$225,411,311. The maximum principal amount of the Certificates to be authorized is \$78,000,000 and the estimated combined principal and interest required to pay the Certificates to be authorized on time and in full is \$110,035,427. Information regarding the self-supporting debt and all other debt of the City may be obtained by contacting the Director of Fiscal Services at 1101 Texas Avenue, College Station, TX 77840 and by phone at 979-764-3645.
